SHRINE DAY - OCTOBER 2, 1931

ALEPPO TEMPLE SHRINE LUNCHEONS

"To make our nobles better acquainted"

The opening guns are big ones:

Governor Ely, Rev. Lindsay and Mayor Curley

After the summer recess we renew our monthly luncheons which previously proved so successful and satisfying. Each time we have had increasing attendance and enthusiasm.

We decided that the luncheons should be on a definite day each month so that they could be easily remembered. Accordingly we have selected the fourth Tuesday of each month. Please fix it in your mind.

The place of meeting has been changed to the ballroom of the Copley Plaza Hotel where we may expect their usual excellent food and service.

The hour remains the same and the luncheon is served at 12.30 o'clock sharp. We shall have the same type of snappy entertainment as heretofore, followed by the speaker of the day. There will be numerous valuable prizes given out at each luncheon.

Tuesday, September 22, we are to be favored by our popular Governor Ely speaking on a topic of great interest to all the members. Let us give him a big reception.

Tuesday, October 27, we shall hear that keen observer and brilliant speaker, Reverend Samuel M. Lindsay, on one of the vital topics of conversation everywhere. He has just returned from Russia and his subject will be "Russia in 1931, The Story of an Eye Witness."

Tuesday, November 24, we shall have our friend Mayor James M. Curley. Well! You know him.

*One hour and twenty minutes of Food, Fun, Fraternity,
Philosophy, and Fellowship, all for \$1.25 which
is to be paid at the door.*

**So that we may have proper accommodations for
everybody, reservations must be made
on or before Monday, Sept. 21.**

*Telephone or write for reservations to
Aleppo Temple, 1320 Statler Bldg., Boston, Mass., Telephone LIBerty 6310*

Rochester Fair

There is held in the city of Rochester, New Hampshire, each fall, the largest Fair that is held in this part of the country. The Fair Association has very generously turned over to the Shrine Club of Rochester, the fourth day of the Fair complete. The reason is obvious, as the executives of the Fair Association are Shriners. This is their contribution toward the charity fund which they hope to raise. The motive behind all of the plans is to be able to turn over to the Shrine Hospital at Springfield, Mass., funds that may be of material help to them in carrying on their wonderful work.

Knowing the needs of this Hospital, we are encouraged to make extraordinary efforts to help all we can with this good work. First: we hope to have assembled in Rochester every Potentate officiating in the New England States. Second: we want a gathering of the Shriners to help develop that good social fellowship that a well arranged "get-to-gether" will always promote. We have plans that will be of great benefit to our organization as a whole. These plans alone will justify the gathering as Aleppo Temple Band, Patrol and Degree Staff will be there in uniform.

As for the attractions, the management of the Fair has arranged for horse races that will be the equal of any in New England. They have also arranged for an open air stage show of eleven acts. They have a track show put on between the races, consisting of fourteen acts. They have a unique balloon ascension, where a man is shot out of a cannon high up in the air. There will be a fine display of live stock, greater in number than any Fair in New England. All this, together with all the features that usually go with a first class Fair, including a large midway, art and machinery displays, automobile show, etc.

We have arranged with the B. & M. R. R. for special excursion rates of \$2.00 for round trip.

Train leaves North Station at 10 A.M. returning leaves Rochester at 8 P.M., arriving at Boston 10 P.M. standard time.

**Reservations must be made not later than
Thursday, October 1, 1931**

Tickets may be secured at Shrine Office, 1320 Statler Bldg., Boston
